# Osaka Central Wholesale Market The Most Vigorous Company in

## Greetings

Food, clothing, and shelter are the 3 basic needs that people share in the society. From the Central Wholesale Market also known as the "Kitchen of Osaka," we handle the "food" part and with the business environment advantage that we have, we seek to make further progress in creating a richer food culture to meet all kinds of demands.

## Our Mission

We put "unity" before anything, and always be grateful when dealing with others. Self discipline and independence are what each one of us keep in mind when doing businesses. We endeavor in creating a humane company full of worthwhile opportunities and satisfaction.

## Business

Our company handles every kind of materials from fresh fish, salted and dried fish, frozen fish, tuna, and freshwater fish. Fish are categorized by species and we offer the best selection from our connoisseurs in charge of each category. Please do not hesitate to ask us anything. The "wide variety" and the "expertise of the connoisseurs" are the greatest features of our company. We seek for further progress and never forget to put effort in meeting our customers' demands.
